

Help a farmworker get to safety.

Ayuda a un trabajador agrícola a llegar a un lugar seguro.

When an H-2A farmworker leaves an abusive farm and files a complaint, they often lose their housing the same day, and have 30 days before returning to their home country. **You can give them a safe place and a way home.**

Cuando un trabajador H-2A sale de una granja abusiva, muchas veces pierde su vivienda ese mismo día. Tú puedes darle un lugar seguro y un camino a casa.
